

Our goal is to build a program that is recognized as the best in world. We have a reputation for excellence in our sport coupled with a strong sense of community, which fosters growth. We will prepare and assemble a Team of Junior Ball Hockey Players from Canada to compete for Gold Medal at the WJC's.

The goal is to field a team that sets extra-ordinary standards for competitiveness, sportsmanship and team continuity. To create a "life experience" for members of JTC team and staff.

Athletic activities are an important part of our youth's life experiences and this is reflected in our long tradition of achievement in inter-provincial competition. We are seeking outstanding individuals including, general managers, coaches, team doctor, therapist and equipment manager to be a part of our Junior Team Canada program for each of our teams, U16, U18 and U20.

The Canadian Ball Hockey Association has earned a reputation for excellence - in the quality of its players and community leaders and in the long tradition of athletic achievement. We are currently seeking a qualified candidate's for the following contracts in preparation for the 2012 World Junior Championships.
